

Call for National Consultant for Second National Communication (SNC) Report of Myanmar

Job Title	Preparation of National Circumstance (Chapter 2)
Department	Environmental Conservation Department (ECD)
Number of Position	1
Duration	3 Months
Location	Home-based assignment and frequent travel to Nay Pyi Taw, Myanmar
Report to	Project Director

The Republic of the Union of Myanmar, as a member country to the UNFCCC in 1994, has been implementing SNC to fulfil its commitment. In 2012, Myanmar has submitted its Initial National Communication (INC) report to the UNFCCC. In 2016, Myanmar has been implementing its Second National Communication (SNC) report which comprises seven chapters describing about national circumstances, national GHG inventory, mitigation and adaptation measures to climate change including other information on (a) research and systematic observation, (b) environmentally sound technologies, and (c) education, training and public awareness.

Environmental Conservation Department (ECD), Ministry of Natural Resources and Environmental Conservation (MoNREC) is preparing the Second National Communication (SNC) Report to be submitted to the United Nations Framework Convention on Climate Change (UNFCCC). Therefore, ECD is seeking a competent national consultant to develop National Circumstances (Chapter 2).

Scope of Work

The consultant shall provide the Services and Deliverable(s) as follows:

- Information on Geographical characteristics, including climate, forests, land use and other environmental characteristics,
- Population: growth rates, distribution, density and other vital statistics,

- Economy, including energy, transport, industry, mining, tourism, agriculture, fisheries, waste, health and service sector,
- Education, including scientific and technical research institutions,
- Any information considered relevant by the Party, e.g. information relating to Article 4.8, 4.9 and 4.10, of the UNFCCC Convention
- The information could be presented in summary tables, charts, and maps and be provided under a section on programmes containing measures to facilitate adequate adaptation to climate change, and in the case of Article 4, paragraph 10, of the Convention, information could be provided either in a separate chapter or as a part of the national circumstances chapter.

The Consultant's Responsibilities

The expert must be able to

- Review the chapter on national circumstances in INC, identify data needed and update information related to
 - a) natural resource conservation and utilization;
 - b) demographic situation, trend and distribution;
 - c) social and economic development progress;
 - d) national policies and plans related to sustainable social and economic development, climate change, among others.
- Gather information relating to the content of national circumstances.
- Report on the list of documents and data that had already been collected and compare with SNC of other neighboring countries.
- Prepare a draft for chapter 2 national circumstances.
- Present the draft report at SNC meeting or PMT or PSC meeting.
- Finalize report as per comments and suggestions come from the circulation of the draft.
- Report on National Circumstances chapter in English and Myanmar language.

Qualification of the consultant: Minimum education level of Master degree and working experience in the environment and climate related field minimum for five years. Experience in preparing for NC/BUR reports would be an advantage.

Duration of assignment: 3 months (Started date: December 2019)

Application deadline: 30th November 2019 by 16:00 (Myanmar Local time + 6:30)

Interview Date: 16th December 2019 by 9:00 (Myanmar Local time + 6:30)
Interview Venue: Office No (53), Environmental Conservation Department,
Ministry of Natural Resources and Environmental
Conservation, Nay Pyi Taw, Myanmar
